Scranton To Call Special Session

HARRISBURG (AP) — Gov.
Scranton said today he will
call another special session of
the legislature to consider
special appropriations for hos-
pitals and colleges as soon as
the General Assembly com-
pletes its reapportionment
meeting.

The governor said the delay
in approval of the \$72 million
worth of special appropriations
"has caused extreme problems
for many of the colleges and
especially the hospitals in pro-
viding services for the people
of Pennsylvania."

Legislative Democrats re-
fused during the regular 1963
meeting of the General Assem-
bly to provide the votes needed
to reach the two-thirds major-
ity for approval of the money
to the state-aided hospitals and
educational institutions.

They insisted at the time
that the legislature should stay
in session to handle the reap-
portionment and unemployment
compensation problems.

During Next Three Months

By KARL R. BAUMAN
Associated Press Staff Writer
WASHINGTON (AP) — Presi-
dent Johnson called two Cab-
inet officers and his budget di-
rector to the White House today
for conferences on economic
and defense matters.

The sessions with Secretary
of Defense Robert S. McNa-
mara, Secretary of Commerce
Luther H. Hodges and Budget
Director Kermit Gordon follow
hard on the heels of a busy Sun-
day at the White House for the
new President.

While at his desk Sunday,
Johnson drafted a letter to de-
fense contractors asking their
cooperation in cutting defense
costs, and the White House an-
nounced the dates when West
German Chancellor Ludwig Er-

Segni and British Prime Minis-
ter Sir Alec Douglas-Home will

EULOGY PAID J. F. KENNEDY AT ELKS RITES

"It is good to pause and re-
member from time to time those
of our members who have been
called to the Church Triumphant,"
said Rev. Otto Kroeger, pastor of
Zion Lutheran Church, Fairfield,
at the annual memorial service of
the Gettysburg Lodge of Elks Sun-
day evening.

He used as his text Revelations,
Chapter Seven, "These are they
who have come out of the great
tribulation. They have washed
their robes and have made them
white in the blood of the Lamb."

"It is good to remember their
passing for it reminds us of their
sacrifice and it stimulates us and
challenges us to do likewise," he
said.

"Secondly, it is good to re-
member them as it gives us a
link with the past and calls us
to do no less than they in the
future."

"Thirdly, in doing so it causes
us to reflect and think deeply
about our Christian faith. When
we do this we discover our faith
helps overcome loss and gives
us power to translate loss into
victory."

Rev. Kroeger concluded his ad-
dress by quoting from Henry
Wadsworth Longfellow's "Psalm
of Life."

EULOGY TO JFK

Paul W. Grube, exalted ruler,
presided.

While Raymond E. Menges, sec-
retary, read the roll of those who
have passed away during the past
year, Chaplain Glenn F. Weis-

name on the altar in the center
of the lodge room. After the name
of the tenth lodge member was
read Menges read "John Fitz-
gerald Kennedy," and an 11th

526 Killed On Highways Over Thanksgiving

By THE ASSOCIATED PRESS
A record 526 deaths occurred
on the nation's highways in traf-
fic accidents during the four-
day Thanksgiving weekend.

Reports of fatalities during
the final hours of the 102-hour
period pushed the toll above the
514 of the 1962 Thanksgiving
weekend which was the highest
since 1958 when The Associated
Press initiated tabulations for
the fall holiday. The lowest was
442 in 1960.

The toll was recorded during
the period from 6 p.m. Wednes-
day, until midnight Sunday.

The National Safety Council
did not estimate a toll in ad-
vance of the holiday. Officials
said Thanksgiving is a family
holiday and highway travel is
about the same as a nonholi-
day weekend at this time of
year.

The Associated Press, for
comparative purposes, made a
survey of a nonholiday period of
102 hours from 6 p.m. Wednes-
day, Nov. 13, to midnight Sun-
day, Nov. 17, and counted 477
traffic deaths.

Also placed in the county jail
Saturday evening was John R.
Bowers, 33, 116 W. High St.,
charged with contempt of court.

WED 4 YEARS

Mr. and Mrs. Arthur Lightner,
Emigsville, observed their 64th
wedding anniversary recently.

Court Rules Virginia May Close Public Schools To Avoid Racial Integration

RICHMOND, Va. (AP) — The
Virginia Supreme Court said to-
day Prince Edward County
had the right to close its pub-
lic schools to avoid racial inte-
gration.

In a 6-1 decision, the majority
said the Virginia Constitution
gives its localities the option of
operating or not operating pub-
lic schools.

The dissenting judge was
Chief Justice John Eggleston,
who held that the state Legisla-
ture was obliged to provide pub-
lic education in the county
which abandoned it four years
ago.

The final adjudication in the
long-fought school case hinged
in part on the action of the Vir-
ginia high court. The case is al-
ready before the U.S. Supreme
Court on its latest trip and Eg-
gleston's dissent offered this
forecast:

CLEVELAND (AP) — The

Firemen and Enginemen —

nation's railroads for a 25 per-
cent wage increase.

Also among demands served
Sunday by the 78,000-member
union were supplemental pen-
sions and company-paid health
coverage. The Brotherhood of
Locomotive Engineers previ-

In Washington, a spokesman
for the American Association

BLAKE URGES CHURCH UNITY

PHILADELPHIA (AP) — The chief executive of the United Presbyterian Church in the U.S.A. called today for church unity and a more active participation in the field of civil rights.

Dr. Eugene Carson Blake said he hoped the week-long triennial General Assembly of the National Council of Churches "will be the occasion of our churches realizing more fully than they have before the vital importance of church unity and cooperation in our kind of world."

In an interview preceding today's plenary business session, Dr. Blake, a past president of the council, added:

"The unity of the church is more clearly visible than it has been for centuries and yet there seems to be a division and controversy increasing in some quarters which weakens desperately the clear witness of the Christian church."

On civil rights, he said, "I expect the assembly to support the leadership taken last June by the General Board and to urge all our churches to a more active participation in the effort to achieve liberty, equality and justice for all Americans."

The National Council of Churches is the cooperative agency of 31 Protestant, Anglican and Eastern Orthodox communions, with 40 million members.

More Powers For Bishops

VATICAN CITY (AP) — Pope Paul VI sent word to the Vatican Ecumenical Council today that he would issue an apostolic letter Tuesday extending more powers to all bishops. The document apparently will be aimed at resolving a council dispute over the concept of shared power between bishops and the Pope.

The announcement of the Pope's intention — which gave no details — came during the last working meeting of the council's second session.

The council also received assurance from Augustin Cardinal Bea that controversial declarations on the Jews and on religious tolerance "certainly will come up next fall" at the council's third session. The declarations had been put aside at this session.

QUERY FRIENDS IN SLAYING OF YOUNG TV STAR

By DICK BIESER
Associated Press Staff Writer
HOLLYWOOD (AP) — Homicide officers worked in teams today to question Karyn Kupcinet's host of friends, hopeful of finding some lead to the stranger of the vivacious, 22-year-old actress.

Miss Kupcinet, a petite brunette who had appeared in a number of top television shows, was found Saturday night in her modest apartment near the famed Sunset Strip. The body was nude and lay face down on a couch.

The actress was the only daughter of Irv Kupcinet, a Chicago newspaper columnist and television moderator.

QUESTION BOY FRIEND

Among those questioned was Andrew Prine, 27, a television actor identified as Miss Kupcinet's steady boy friend until a recent disagreement caused them to break up.

Prine, a co-star of the "Wide Country" series, told investigators he knew nothing of the slaying but had telephoned Karyn twice Wednesday evening to discuss their differences.

Investigators said he may have been the last person to hear her voice when he placed his second call about midnight. Officers believe the slaying took place in the early hours Thursday.

Detectives said the actress' body lay undiscovered — possibly for three days — until actor Mark Goddard and his wife, Marcia, 25, visited the modest apartment Saturday evening. They were concerned, they said, about her failure to answer their telephone calls for two days.

She had been a dinner guest in their home on Wednesday.

COURT ORDERS HANDLED DOWN

The Adams County court handed down a number of orders Saturday.

Approval was given for Edith M. Wachter and John W. Brehm, both of Cashtown, to pay directly to the bank the \$10,000 mortgage on a property of the S. F. Snyder estate on Stevens St. The payment is to be made out of the \$22,500 paid for the building, with the remainder, minus the mortgage amount, to be paid into the estate. As a result, the bond of Hubert W. Gallagher, the administrator of the estate, as it pertains to that portion of the estate, was reduced from \$45,000 to \$25,000.

Approval was given for the transfer of a panel truck worth \$200 owned by Maurice S. Warren, late of Oxford Twp., to the widow, Dorothy C. Warren, New Oxford R. 1. The estate has no assets other than the truck and no debts. As a result of the court action, the will will not be offered for probate.

The court set \$8,800 as the bond of Elmer C. Crowl administrator of the estate of Iva M. Crowl, late of Abbotstown, as a result of the sale of a property owned by the estate at public sale to Charles R. Chubb for \$4,400.

Approval was given for return of the \$1,000 bail posted by Elizabeth Lloyd, York, in the case of Russell Lloyd, charged with driving while under the influence and hit and run driving. According to the request for the return of bail, he was sentenced October 19 and all costs are paid.

EULOGY PAID

(Continued From Page 1)

President of the United States, was an Elk, a member of Lodge No. 10, Boston, Mass.

"The Elks are strictly an American fraternity and President Kennedy was an American in every sense of the word, first, last and always. As an Elk, he went through the same ritual, initiation and indoctrination as many of us.

ELK PRINCIPLES

"The cardinal principles of Elkdom are charity, justice, brotherly love and fidelity.

"Let us look at them separately. "Charity—President Kennedy's every thought was for others; the poor, the depressed, the hungry, the aged, both in this country and all over the world. His own salary as President was donated to his favorite charities. He was charitable.

"Justice — Justice was President Kennedy's way of life. He had sworn to uphold the laws of this great country, even though integration was unpopular in some sections, even though civil rights legislation was holding up his program; he upheld the Supreme Court; he was just.

BROTHERLY LOVE

"Brotherly love—A member of a close knit family, the practice of brotherly love came naturally for John F. Kennedy. He made a home for ousted Cubans. He became a friend of freedom seeking leaders in Africa. He fought for his brothers all over the world and only in death did he find he had millions of unannounced and unknown friends and brothers. He practiced brotherly love.

"Fidelity — Never was a man more faithful, faithful to his church, faithful to his country both in peace and in war, faithful to his state as representative and senator, faithful to his family as son, husband and father. He had great fidelity.

"A true American, a true Elk, a true family man, he learned his lessons in Elkdom well and practiced them even better. To him, our late President, John F. Kennedy, and to all our departed brothers, we say well done and farewell and may God rest their souls."

LHS CHOIR SINGS

The Littlestown High School choir furnished the music. The 90-voice chorus sang "Agnus Dei" by Bizet; "No Man Is An Island," by Roy Ringwald; "Beautiful Savior," by F. Melius Christian; "A Mighty Fortress Is Our God," by Gardner and the Doxology. The choir was directed by Mrs. Ruth W. Elder. Miss Betty Sell and Daniel Mikesell were the soloists and Miss Carolyn Kump was the accompanist.

The closing, "Auld Lang Syne," was sung by the assemblage.

Officers of the lodge conducted the ritual services.

NAME SCHOOL FOR JFK

Pastor Charles Owen Rice said Sunday no date has been set for start of construction on the \$500,000 project.

New Oxford Man Faces New Charge

(Continued From Page 1)

A 24-year-old New Oxford R. 2 man, Robert R. Wallen, who was picked up by Penn Township police on request of Maryland authorities, has been charged by state police at York with a robbery that occurred eight months ago in the western part of the county.

Wallen was charged before Justice of the Peace Oliver Nace by State Trooper Leonard Stoffan. He immediately waived a hearing and was committed to the county jail in default of bail. He allegedly robbed a York Springs R. 1 man, Walter E. Harman, of \$2 and a wrist watch early last March 30 near the Paradise Township Elementary Center.

Penn Township Police Chief Richard Hahn picked up Wallen Wednesday after Maryland police wanted him for questioning in connection with an assault on a 16-year-old Carroll County girl.

organized a ladies' auxiliary. In 1954 it installed lights and stands on its fairgrounds and held its first five-day carnival.

In 1957 construction began on the present fire house with the labor volunteered by the members and friends of the company. The structure, the mortgage for which was burned Saturday night, was completed in 1957, five years ago.

In 1961 the company began ambulance service. The ladies' auxiliary purchased the first ambulance.

A junior fire company for boys 14 to 18 was also established in 1961.

This year the company ordered a new fire truck equipped with the latest in fire fighting equipment and expects delivery of the new truck sometime in January.

Mrs. Mildred Neiderer, vice president of the auxiliary, spoke in the absence of Mrs. Viola Smith. She expressed her thanks to the auxiliary members.

Raymond Smith, chief of the Bonneville Fire Company, expressed his thanks to members for their long services.

E. S. LONG SPEAKS

Eugene S. Long, head of the Bonneville Ambulance Corps and chairman of the newly formed Adams County Ambulance Corps, expressed his appreciation to the auxiliary for purchasing two ambulances.

Robert Heyser, president of the Adams County Firemen's Association, brought greetings from that organization.

Judge W. C. Sheely recalled "the day when we had no hospitals here. People had to go to Chambersburg or York. After our local hospital was established ambulance service was started mostly through the efforts of the Adams County Firemen's Association. For a number of years one ambulance served the county. Then as the need for more ambulances became clear the firemen of the county took up that work. It is a comfort to know that there are so many excellent fire companies in the county, working together for the common good, and meeting new needs as they arise.

"Possibly even more important is the fact that so many people are working together in a common cause. The experience of our fire companies shows that we can accomplish anything we want to do if we work together, and, conversely, if we do not work together we can accomplish nothing."

President Charles de Gaulle of France also is expected to visit the United States next year, but no date has been set. The slowness in fixing a date apparently reflects the deep differences with France on Western policy.

Meanwhile, the FBI is looking over a Soviet consular file on Lee Harvey Oswald, accused assassin of Kennedy. Soviet Ambassador Anatoly F. Dobrynin voluntarily turned over the file to Secretary of State Dean Rusk Saturday.

SOLDIER PROMOTED

George P. Evanko, son of Mr. and Mrs. George J. Evanko, R. 3, has been promoted to specialist fourth class while assigned to the 319th Station Hospital, Verdun, France. Specialist Evanko entered the Army in July, 1962, and completed his basic training at Ft. Jackson, S. C. He went overseas in July, 1963. The 19-year-old soldier graduated from Delone Catholic High School, McSherrystown, in 1962.

burned the mortgage and presented the life membership citations he praised the work of the fire police and the committee, headed by Rodney Noel, which arranged for Saturday's program.

Rev. Fr. Louis Forgeng, chaplain of the Bonneville firemen, gave the opening and closing prayer.

Following the program a buffet dinner was served by the junior firemen and dancing was held.

Officers of the fire company are: Francis Shanebrook, president; Harold Smith, vice president; James Strassbaugh, secretary; Bernard Shanebrook, financial secretary; Philip Little, treasurer; Raymond Smith, chief; Rodney Gould, first assistant chief; Frank Staub, second assistant chief; Fr. Forgeng, chaplain; Edward F. Smith, Charles Smith and Francis V. Staub, trustees.

Officers of the auxiliary in addition to the president, Mrs. Smith, and the vice president, Mrs. Neiderer, are Jane Walter, secretary, and Margaret Smith, treasurer.

Three Ties In Seven NFL Games Set Record; Picture On League Title Clearing

By JIM BECKER
Associated Press Sports Writer

Things were considerably clearer in the National Football League title picture today—with two weeks to go, there are only six teams left with a chance to win.

And just five with a chance to tie.

The Pittsburgh Steelers can only win or lose—they have too many ties to tie.

Action over the long weekend produced three ties in seven games, believed to be a record dating way back beyond the days when such as Kenosha, Hammond and Stepleton, for example, were in the league.

BROWNS BEAT CARDS

Sunday, the Chicago Bears played their second 17-17 tie in a row, this time with Minnesota. That left the Bears one-half game in front in the West over the Green Bay Packers, who tied Detroit 13-13 on Thanksgiving. The Bears are 9-1-2, the Packers 9-2-1.

In the East, the Cleveland Browns broke up the three-way deadlock at the top by trimming the St. Louis Cardinals 24-10. The New York Giants kept pace with the Browns by scratching past Dallas 34-27, as old Y. A. Tittle set an NFL career record of 197 touchdowns passes.

The Browns and Giants are 9-3 each.

L.A. WINS AGAIN

The Steelers played their third tie of the season and second of the year with Philadelphia, this time 20-20.

That left St. Louis and Pittsburgh tied for second, the Cards at 8-4 and the Steelers at 6-3-3.

In other Sunday games, Los Angeles won its third straight, 21-17 over San Francisco, and Baltimore whipped the Washington Redskins 36-20.

In the American Football League, San Diego defeated Houston 27-0, New York beat Kansas City 17-0 and Boston whipped Buffalo 17-7, Sunday.

BEARS BATTLE BACK

Underdog Minnesota did everything to the Bears except beat them. The Vikings held Chicago to 22 yards rushing in the first half and led 17-3 at intermission, as Ron VanderKelen guided the team in place of injured Fran Tarkenton, and completed his first NFL touchdown pass.

The Bears battled back in the third quarter on a 49-yard march to close the gap and then got the break of the game. Tommy Mason fumbled on the Viking 11, and two plays later Bill Wade hit Joe Marconi on a touchdown pass for the tie.

Frank Ryan returned to form for the Browns and Jimmy Brown blasted his own season rushing record, Ryan, benched two weeks ago when the Cardinals trimmed the Browns, riddled the St. Louis defense for 210 yards, and Brown gained 179

NEW OXFORD 49-46 VICTOR

New Oxford High School got off to a good start in the basketball campaign by taking a thrilling 49-46 verdict at Dover Saturday evening, fighting off a third period rally by Dover to gain the win.

The Colonials piled up a 29-22 lead at half time but Dover put on a strong spurt after intermission and finally moved ahead 36-34 on a goal by Ron Duncan late in the third period. New Oxford bounced back to take the lead at 39-37 going into the final quarter, which was played on even terms.

Jock Sneddon, John Harner and Bill Dubbs provided all of the scoring for the winners with 21, 20 and eight points, respectively. Gary Sweitzer topped Dover with 10.

The Dover reserves won the preliminary 39-34.

New Oxford will play its first home game Tuesday evening when it entertains South Western.

18 COLLEGES YET UNBEATEN

By THE ASSOCIATED PRESS

The nation's list of unbeaten, untied college football teams was reduced to 18 this weekend with defeats suffered by the College of Emporia and Southwest Missouri.

Emporia was blasted by St. John's, Minn., also unbeaten and untied, 54-0 in an NAIA semifinal playoff, while Southwest Missouri fell before Northern Illinois, 21-14 in the Mineral Bowl.

Texas, top-ranked in the nation and heading for the Cotton Bowl, is the only major team on the list. The Longhorns have completed a 10-0 regular season record, their first perfect mark since 1920.

All of unbeaten-untied have finished regular season play except Prairie View.

BOSTON PICKS CONCANNON AS NO. 1 CHOICE

By JACK HAND
Associated Press Sports Writer

NEW YORK (AP)—Quarterback Jack Concannon of Boston College was the No. 1 draft pick of the American Football League, at the draft meeting held Saturday.

Concannon was selected by the Boston Patriots.

Boston got the right to pick first in the AFL in a trade with the Denver Broncos.

Denver traded its No. 1 pick to Boston—obviously to clear the decks for the signing of the hometown quarterback—and received in return Boston's No. 1 pick, No. 3 pick and a player to be named later.

Kansas City, picking second, selected another quarterback, Pete Beathard of Southern California.

JETS PICK SNELL

The New York Jets selected Matt Snell, Ohio State fullback, as their No. 1 choice.

Concannon is 6-foot-3, 200 pounds from Corchester, Mass., and is also a baseball and basketball player. He is 21 years old.

Beathard pitched the Trojans to the No. 1 national ranking and a Rose Bowl victory last season. He is 6-foot-1, 197 from El Segundo, Calif.

Denver, with Boston's first choice, picked Bob Brown, 269-pound Nebraska guard. Brown is 21, and stands 6-foot-4.

Buffalo picked Carl Eller, 6-foot-5, 241-pound tackle from Minnesota.

Snell is 6-foot-2 and 215.

Brown, 21, is from Cleveland, and may be selected by the NFL Browns. He has been tabbed one of the outstanding prospects among the college linemen. Nebraska is going to the Orange Bowl on New Year's Day.

All of the first four men selected, all were either playing Saturday or still have a game on the schedule, and could not be signed immediately.

Houston picked Scott Appleton, the big Texas tackle, 235 and 6-foot-3.

Oakland selected Tony Loric, Arizona State halfback. Loric is 22, 6-foot-1 and 200 pounds.

San Diego, completing the first round, picked Ted Davis, linebacker from Georgia Tech. Davis is 6-foot-2 and 225 pounds.

3 Names Added To Famed In Lacrosse

BALTIMORE (AP)—Former players from three Pennsylvania colleges will be inducted into the Lacrosse Hall of Fame at Johns Hopkins University, it was announced over the weekend.

Named by a selection committee were Harry E. Wilson, an all-around star at Penn State and Army during the 1920s; Carl Hartgen, who captained Lehigh in 1910; and Ferris Thompson, who played at Swarthmore and St. John's of Annapolis and has been coach at Princeton since 1951.

Soccer Playoffs

ANNAPOLIS, Md. (AP)—West Chester (Pa.) State College has been eliminated from the NCAA soccer playoffs. Unbeaten Navy defeated West Chester 3-0 Saturday at Myron Hura scored two goals. The victory moved the Middies into the semifinal round Thursday at Rutgers University.

LIBERTY BOWL DEC. 28

PHILADELPHIA (AP)—The fifth annual Liberty Bowl football game has been rescheduled from Dec. 21 to Dec. 28 to allow the selection committee additional time to pick teams and work out other arrangements. President John F. Kennedy's death Nov. 22 resulted in postponement of scores of college games, many of which were played Saturday.

MICHIGAN, KENTUCKY WIN

Cincinnati, No. 3, crushed George Washington 101-65 behind Ron Bonham's 31 points. Duke, No. 4, humbled Penn State 92-62 as Jeff Mullins tallied 25 points. Wichita, No. 5, took Wyoming 82-67 as Dave Stallworth got 36 points. Ohio State, No. 7, thumped California at Davis 68-62 with Gary Braddis netting 20 points.

Michigan, No. 8, walloped Ball State 90-76 as Cazzie Russell and Jim Myers filled in capably for the suspended Bill Buntin with an aggregate 52 points. Kentucky, No. 9, had little trouble with Virginia 75-64 as Cotton Nash and Ted Deeken scored 56 points between them.

Rick Falk's 25-foot shot at the buzzer gave Northwestern an 80-78 victory over Western Michigan and West Virginia nipped Furman 67-65 on Ricky Ray's jump shot with one second left in two other thrillers.

BOWL BERTHS AWAIT SERVICE GAME RESULTS

By BOB GREEN
Associated Press Sports Writer

The majority of the major college football bowl berths still unfilled hinge on just one game—Army-Navy.

When that one is decided, the Cotton Bowl visitors' spot will be filled—either by Navy or Pitt. And when the Cotton Bowl is decided the others are expected to fall in line just like knocking over the first of a row of dominoes.

Here's the way it works: The Rose, Sugar, Orange and Bluebonnet bowls have their teams still to be filled are the visiting roles in the Cotton and Gator and both spots in the Liberty.

NAVY TOP CONTENDER

Second-ranked Navy is the top contender for the Cotton Bowl berth, but won't go if it loses to Army in their classic clash in Philadelphia on Saturday. It may not go even if it wins.

Fifth-ranked Pitt is the No. 2 contender with an 8-1 record and with one game to go, against Penn State Saturday. Pitt, however, also is considered a candidate for some of the other bowls, so they all must await the outcome of the Army-Navy clash.

The Middies definitely won't go if they fail in their bid for their fifth straight victory over Army. If they win, the whole delicate situation will land in lap of the Pentagon and may even end up on the desk of President Johnson.

ROSE BOWL DECIDED

If Navy doesn't go, the honor almost certainly will go to Pitt, which has lost only to Navy and marked up its eighth victory with a 31-20 decision over Miami, Fla. Saturday night.

Washington won its way into the Rose Bowl on the running of fullback Junior Coffey in a 16-0 triumph over Washington State that sealed the Big Six title Saturday. The Huskies take only a 6-4 mark into the game against Big Ten champ, Illinois, 7-1-1.

Auburn gained the Orange Bowl spot opposite Nebraska on the strength of its 10-8 upset of Alabama, engineered largely through the efforts of substitute quarterback M. L. Kent.

SUGAR BOWL PAIR

Despite the setback, Alabama made it into the Sugar, where it will oppose Mississippi, which had to have a fourth-period field goal to tie Mississippi State 10-10.

Brilliant Don Trull scored all three touchdowns in the 21-12 Baylor victory over Rice which put the Bears in the Bluebonnet against LSU.

Dartmouth gained a share of the Ivy League title by upsetting Princeton 22-21 while Yale knocked off Harvard 20-6.

BEARS WIN 3-2 IN OVERTIME

By THE ASSOCIATED PRESS

Roger DeJordy's breakaway goal in the first minute of overtime gave the Hershey Bears a 3-2 victory over the Quebec Aces Sunday night and ruined Doug Harvey's American Hockey League debut as a Quebec defenseman.

While the Bears were disappointed Quebec's biggest turnout of the season—9,871—and climbing back into a three-way tie for the AHL's Eastern Division lead, the Cleveland Barons moved to within a point of second place Rochester in the Western Division by topping Providence, 4-2, and Springfield won a battle of sectional tailenders from Buffalo, 7-4.

Harvey, 33-year-old former National Hockey League stand-out recently released by the New York Rangers, played flawlessly for Quebec and set up Wayne Hicks' tying goal in the second period. But DeJordy's score, with only 40 seconds gone in the extra period, eclipsed Harvey's performance.

A pair of first period goals by Cleveland's Ron Atwell and third period solos by Fred Glover and Jim Mikol, after Providence had knotted the count at 2-2, provided the Barons' margin. Brian Kilrea and Jimmy Anderson each scored twice to pace Springfield and hand defending champion Buffalo its second straight seven-goal drubbing.

In Saturday night action Rochester ripped the Bisons, 7-2, Baltimore edged Pittsburgh, 3-2, in overtime and Springfield and Cleveland played to a 4-4 deadlock.

MAJOR DEALS LOOMING IN BIG LEAGUES

By JOE REICHLER
Associated Press Sports Writer

SAN DIEGO, Calif. (AP)—High level trade discussions involving front liners Felipe Alou, Bill Skowron, Jim Bunning, Jim Kaat, Ray Sadecki and Claude Osteen gave promise of several major player transactions today as the National Baseball Association officially opened its 62nd baseball convention.

The most sought after player appeared to be Felipe Alou, the star right fielder of the San Francisco Giants. At least two clubs, the St. Louis Cardinals and the Detroit Tigers, have made overtures for the 28-year-old Dominican Republic native who batted .281, hit 20 homers and drove in 82 runs last season.

St. Louis has offered Sadecki, the 31-year-old right-handed southpaw, who divided 20 decisions with the Cards, winning four of his last five decisions. The Giants, on the lookout for a starting left-hander, expressed interest but asked the Cards to "sweeten" the offer.

MORE COMPLICATED

The other proposed deal involving Alou is more complicated. The Tigers would like to have Alou but do not have a left-hander the Giants consider of equal value. The Giants, on the other hand are interested in Minnesota southpaw Jim Kaat. The Twins are looking for a starting right-hander.

"We would like to have Jim Bunning of Detroit and the Tigers are interested in Alou," a Minnesota spokesman said. "I understand Calvin (Calvin Griffith, owner of the Twins) has offered Kaat to the Giants for Alou with the intention of sending Alou to the Tigers in exchange for Bunning."

A trade between the Los Angeles Dodgers and Washington Senators appears imminent. The Dodgers are said to have offered Skowron and an unutilized player to the Senators for Osteen, Washington's ace left-hander despite his 9-14 record.

DRAFT DIVIDED

More trade talk was expected today when the club officials gathered for the annual draft.

The Senators, having first pick because of their last place finish in the American League were expected to select one of two pitchers, Camilo Esteves of Albuquerque or Howard Kopplitz of Syracuse.

The draft was divided into two groups. The first selection was to be made from veteran minor leaguers at a cost of \$25,000. Most of the activity, however, was expected to center around the first year draft, which includes young bonus players signed after Dec. 1, 1962. These may be acquired for the \$8,000 price.

Last year, the majors selected 56 players at a record outlay of \$695,000. Of these, 45 were first year men.

The Cards announced Sunday they had given veteran catcher Carl Sawatski his unconditional release.

PARILLI SAVES TITLE CHANCE FOR PATRIOTS

By MIKE RATHET
Associated Press Sports Writer

Boston's Babe Parilli, taunted by a chant and faced with a long stay at the unemployment office, salvaged his job and the Patriots' title hopes just in time to set up a key clash with Houston that may finally decide the American Football League's Eastern Division scramble.

Early last week Boston Coach Mike Holovak threatened Parilli with the loss of his job if he was unable to move the club against Buffalo. Then, in the second period Sunday, Fenway Park fans began to chant for Parilli's substitute, Tom Yewcic. They got him.

But they got Parilli back at the start of the third quarter, and the 10-year pro veteran completed an amazing flip flop, passing for one touchdown, then scoring the clincher himself for a 17-7 victory over the Bills.

1ST PLACE TIE

The victory moved the Pats, 6-5-1, into a tie for first place in the East with Houston, which is 6-5 after being shut out for the first time in 45 games—27-0 by San Diego's Western Division leaders. The Patriots meet the Oilers in Houston this Sunday.

The New York Jets, meanwhile, remained in contention in the East with a 5-5-1 record by blanking Kansas City. It was the first shutout in 34 games for the defending league champion Chiefs, bogged down with a 2-7-2 record.

The league's only other game was played Thanksgiving Day, with Oakland defeating Denver 26-10 and remaining two games behind the Chargers. The leaders meet at Oakland Sunday, with the Chargers needing a victory to clinch their third title in the AFL's four-year history.

BILLS TOOK LEAD

The Patriots were unable to get inside Buffalo territory under their own power in the first half and the Bills pulled out to a 7-0 lead on an 89-yard drive in the second quarter capped by Cookie Gilchrist's two-yard run. Then Parilli struck back at his taunters.

He pitched a pass over the middle to Larry Garrison, and Garrison raced the rest of the way on a 44-yard touchdown play. The next time Boston got the ball, Parilli heaved a 63-yarder to Art Graham and four plays later cracked the final two yards for the deciding touchdown.

BERMUDIAN 5 WINS OPENER

Bermudian Springs, using the foul line effectively, got off to an auspicious basketball start by registering a 60-55 victory over Northern of Dillsburg Saturday afternoon on the winner's floor.

The game started Friday evening when Bermudian led 32-26 at half time. A power failure resulted in the decision to play the second half Saturday afternoon.

Coach Glenn Gruver's Eagles were outscored from the field 25-22 but landed 16 of 31 foul tries as compared to but five of 14 for the Polar Bears.

Northern pulled to within a point in the final two minutes but Bermudian recovered to save the decision.

Ed Rodrock and Joe Wolf topped Bermudian with 17 points each and Don Shellenhamer added 14. Rick Stevens paced Northern with 25.

Tom Shreiner's Bermudian jayvees dropped the preliminary game Friday evening 39-19.

Bermudian will meet Dover on the Eagles' floor Friday night.

SORROW WITH KENNEDYS AT RESORT HOME

By CORNELIUS F. HURLEY
HYANNIS PORT, Mass. (AP) — A pall of sorrow hung over this Cape Cod seaside resort to where Jacqueline Kennedy, widow of the assassinated President, remained secluded with her parents-in-law and other members of the bereaved Kennedy family.

The Kennedys stayed close to the compound Friday as a driving rain, whipped by a south-east gale, lashed Cape Cod.

The rain forced cancellation of a plan to take a dozen or so grandchildren of former Ambassador and Mrs. Joseph P. Kennedy to the town's Memorial Skating Rink. The Kennedy Foundation gave the rink as a memorial to the Kennedys' oldest son, Joseph P. Jr., killed in World War II in a naval bomber flight over the English Channel.

VISITS AGED MOTHER

The mother of the late president drove to Boston to see her mother, Mrs. John F. Fitzgerald, 94. The latter has not been told of the assassination of her grandson president a week ago Friday.

Condolences continued to pour into the Kennedy home from all parts of the world.

Postal officials reported they had handled more than 150,000 letters, and Western Union said that thousands of telegrams had been received.

Flags are at half staff, and black crepe drapes public building in the town. But arches of colored Christmas lights were turned on Friday night in the business section of nearby Hyannis, the largest shopping center on Cape Cod.

Sen. Edward M. Kennedy, brother of the late president, said his father intends to leave this week to spend the winter in Palm Beach, Fla.

Jacqueline Kennedy has asked for designs for her husband's tomb in Arlington National Cemetery. She visited the grave site with architect John Carl Warnecke, a Kennedy-appointed member of the government's Commission of fine arts in Washington.

LOS ANGELES (AP) — Arthur Loew, former stepfather of the late actor Tyrone Power's son, wants the 4-year-old boy, also named Tyrone Power, to keep "Loew" as his last name. Loew, a wealthy man-about-town, married Power's widow in 1959 and adopted her child, who was born after Power died in Spain.

Today In Washington

WASHINGTON (AP)—In the news from Washington:
FALLS SHORT: The Explorer XVIII satellite is expected to fall some 15,000 miles short of its intended distance in space, but space officials say its orbit will produce the expected data on radiation dangers on the path toward the moon.

The National Aeronautics and Space Administration said Friday the satellite, launched Tuesday from Cape Canaveral — now Cape Kennedy — would attain a distance of 122,800 miles instead of the intended 137,000 miles from earth.

The Explorer will be in an orbit that will take four days to complete and that will bring it within 120 miles of the earth.

WHEAT DEAL STALLED: Negotiations for the sale of \$250 million of American wheat to the Soviet Union have stalled, and the chief Soviet negotiator has gone home.

Despite the return to the Soviet Union Wednesday of Sergei A. Borisov, head of the Soviet group, State Department officials said Friday they knew of no indication the talks had been broken off.

Leonid Matveyev, head of a second Soviet group that negotiated directly with American dealers, has gone to Canada, apparently either to supervise the shipping of Canadian wheat bought earlier by the Russians or to try to make a new deal.

CHURCHILL: A statue of Sir Winston Churchill is going to be set up in Washington.

The Washington branch of the English Speaking Union said Friday on the day before the British statesman's 89th birthday that the statue, showing Churchill making his V-for-victory sign with the right hand and holding a cigar in the left, will be placed in front of the British Embassy.

Americans will be asked to contribute toward the cost of the statue. The statue of Franklin D. Roosevelt in London's Grosvenor Square was paid for by small contributions from his British admirers.

MRS. JOHNSON: Mrs. Lyndon B. Johnson has taken the first step to turn over to trustees her controlling interest in a Texas radio and television station.

The First Lady owns 313 shares, or 52.8 per cent of the stock in the LBJ Co. which owns and operates Station KTBC, an AM and FM radio and television station in Austin.

Mrs. Johnson's attorney filed an application with the Federal Communications Commission Friday to transfer her stock to A. W. Moursand and J. W. Bullion of Johnson City, Tex., who already hold 184 shares in trust for the President's two daughters, Lynda Bird and Lucy Baines Johnson.

The application said Mrs. Johnson already had resigned as chairman of the board of the company and would have no further voice in its management.

NEW YORK (AP)—Things a columnist might never know if he didn't open his mail:

As more of us are born and more of us live longer, Americans seem to be getting both older and younger. By 1970, it is estimated, half the population will be under 20 or over 65.

In the last 15 years the percentage of the average consumer dollar spent on food has dropped from 31.4 to 23.7, the percentage spent on clothing has fallen from 13.7 to 10.1, but we're spending more on such things as housing, foreign travel, education and medical care.

It was like shoveling snow 210 times a year

Snowfall is hard to predict around here. But usually it's necessary to shovel the walks about a dozen times a year. At that, it seems 12 times too often.

But what if the weather was such that you had to shovel snow 210 times a year? The drudgery and effort of this constant shoveling—plus the big hole it would put in your leisure time—undoubtedly would make it the biggest headache in your daily life.

Less than a generation ago, most families in this area were doing a daily chore about 210 days a year that was as exhausting and time-consuming as shoveling snow. That was getting heat out of their old-fashioned furnace. You remember that furnace routine—shake it, empty it, load it, bank it—oh, brother, it went out.

Natural gas changed all that. Today... gas heating provides your comfort automatically. It's THE convenience in your home. Really big.

And best of all... natural gas brings you this comfort and convenience at a cost much less than any other source of energy.

3 Murders, Suicide Wipe Out Family Of 4 In New Jersey

ROSELLE, N.J. (AP) — A neighbor, worried because he hadn't seen the Donald Stafford family since Thanksgiving Day, peered into their pleasant ranch-style home to check if the Staffords were in trouble.

What he saw Saturday night sent him running to summon police.

Detectives found Stafford, 42, dead of a bullet wound in the head on a bed beside the body of his wife, Iona, 41.

CHILDREN SLAIN

The couple's two children, Wayne, 9, and Donna, 6, were in separate beds in another room, each with a bullet wound.

In the parents' bedroom was a 22-caliber rifle.

Two notes also were found. In one, Stafford, a native of Bushkill Falls, Pa., willed everything he had to a brother-in-law, Haines Brodhead of Madison. In the other, Stafford wrote:

"I love my little family. Now will (sic) always be together."

MOTHER SUFACCATED

Because of the absence of any marks on Mrs. Stafford's body, police theorized that she had died of natural causes and her grieving husband then shot his sleeping children before taking his own life.

An autopsy Sunday indicated, however, that the mother, son and daughter had been slain.

Dr. Bernard Ehrenberg, Union County medical examiner, said Mrs. Stafford was asphyxiated, suffocated with the pillow on her bed. He said Mrs. Stafford was killed sometime Thursday night and the children and Stafford died early Friday morning.

DEVOTED FATHER

Deputy Police Chief Charles Radecki listed the case as three homicides and a suicide.

The police investigation showed that Stafford was a devoted and loving father but that he had shown signs of strain the past month.

Stafford's 67-year-old father-in-law, John S. Brodhead, told police that about two weeks ago Stafford had accused him in Madison and accused the elderly man of talking about him. Brodhead, who is blind and lives with his son, Haines, said

Stafford struck him on the arm and shoulder and then removed his 22-caliber rifle and shotgun from Brodhead's apartment.

WAS AUTO MECHANIC

Radecki said the investigation also showed Stafford had been under psychiatric care 10 years ago.

Stafford worked as an auto mechanic in Elizabeth. The Staffords had been married 13 years.

Private funeral services will be held for the family in Madison with burial at Dingmans Ferry, Pa.

REPORT RUSK MORE SECURE THAN OTHERS

By ENDRE MARTON

WASHINGTON (AP) — The view in capital circles is that Secretary of State Dean Rusk's position in President Johnson's new administration is probably more secure than that of any of his colleagues.

Johnson has asked everyone in the late President John F. Kennedy's Cabinet to remain. Rusk is determined to continue to serve as secretary of state as long as the President needs him, his associates say.

Relations between the two men were always good. They seem to be on the same wavelength, as Rusk's associates explain it.

There is probably no completely satisfactory explanation for why two men have confidence in each other.

RESPECTED POST

But there was one tangible reason for the rapport between the two. Rusk, a scholar, refused to accept the theory that the vice presidency is an office with few obligations and with rather vaguely defined rights.

He believed that the vice president must be thoroughly briefed on foreign affairs to be ready to take over in an emergency.

The secretary not only advocated this theory, but did something unprecedented. He established at the State Department a separate office, headed by a

JOHNSON MAY BACK HEALTH CARE AVIDLY

By EDMOND LEBRETON

Associated Press Staff Writer WASHINGTON (AP) — Capitol Hill speculated today that President Johnson may support the hard-fought proposal for health care of the aged even more actively than President Kennedy did.

Johnson's first speech to Congress as President emphasized the priority Kennedy had given to two other measures, civil rights and a tax cut. But he also mentioned "care for our elderly" as one of the late President's aims which "must and will be translated into effective action."

Proponents and opponents of the pending bill to provide hospital and nursing care benefits under social security agreed Johnson will mobilize the resources of the White House for a drive to enact the measure next year.

One opponent who would not be quoted by name said political realities will force Johnson, as the prospective 1964 Democratic candidate for the presidency, to an even more vigorous support of medical care than Kennedy's.

"Kennedy's strength was in the big cities where Medicare is most popular," this source said. "He had those votes anyway. But these are the very areas where Johnson has to sell himself."

A brief address on "Catholic Action and the Lay Apostolate" was given by Rev. Fr. Michael Barrett, spiritual director, who also led opening prayers. Closing prayers were led by Rt. Rev. Msgr. John P. Bolen, Sacred Heart Basilica, Conewago. The Rev. Thomas Lawler, McSherrystown, and Rev. Alexis Arnold, host pastor, were also present.

The measure, as evidence he strongly supports the principle of health care of the aged financed by social security.

Johnson's efforts on behalf of the bill may provide the first indications whether Johnson commands more influence in the South than did his New England predecessor.

STUCK IN COMMITTEE The bill has been stuck fast in the Ways and Means Committee because enough southern Democratic votes have combined with the Republican minority to deny it a favorable report.

The committee was conducting public hearings on the bill when Kennedy was assassinated a week ago Friday. These were suspended and, until there is a clearer indication as to how congress will respond to Johnson's nudge to remain in Washington this year, no one will know whether the hearings will be resumed in December.

ADVERTISE IN THE TIMES

Persuaded Johnson to make frequent trips to other continents, including the visit to West Berlin almost immediately after the Communists built the wall dividing the city.

Rusk, with five other members of the cabinet, was on his way to Japan when news of Kennedy's assassination reached the airplane over the Pacific. He announced Kennedy's death through the plane's public address system to the party of about 30 officials, and concluded by saying "May God bless our new President and our nation."

McSherrystown

McSHERRYSTOWN — Plans to initiate an annual day of recollection for members of Conewago Deaconry of Holy Name Societies were outlined at a meeting held Sunday at Immaculate Conception Parish Hall, New Oxford, with representatives of nine area parishes in attendance. Appointed to the planning committee by James G. Sneeringer, president, were Frank Breiner, New Oxford; Thomas Murren and Marilyn Weaver, McSherrystown; Henry J. Snyder, Hanover, and Robert J. Smith, Conewago.

Members were urged to stress the theme, "Christmas Is Christ's Birthday" by the use of religious greeting cards, displays, creches, Advent wreaths, carols, family recitations and devotions and family church attendance.

Daniel Sanders of St. Francis Xavier Parish, Gettysburg, was selected as deaconry representative for the Diocesan Holy Name of the Year Award.

Named as deaconry representative on the Harrisburg Diocesan nominating committee was Frank Breiner, New Oxford. Serving as members of the deaconry nominating committee are John Rudisill, Littlestown; Raphael Redding, Hanover; E. Richard Sneeringer, Conewago; Daniel Sanders, Gettysburg, and John Robinson, New Oxford.

Reports were presented by Laverne Staub, Hanover, membership chairman, and Robert J. Smith, secretary.

A brief address on "Catholic Action and the Lay Apostolate" was given by Rev. Fr. Michael Barrett, spiritual director, who also led opening prayers. Closing prayers were led by Rt. Rev. Msgr. John P. JIM ST. JOHN WINS \$48,000 BOWLING MEET

CHICAGO (AP) — Jim St. John of St. Louis rewrote the record book Sunday as he won the \$48,000 seventh annual World's Invitational Bowling Tournament by the widest margin in history.

St. John, 33, who still resides in Chicago although bowling for a St. Louis brewery, set 11 world's records on his path to the title and the \$7,500 first prize.

30-POINT LEAD The slender St. John finished almost 30 points ahead of second place Johnny Meyer of Nesconset, N.H., who had 314.17 Petersen points as compared to 343.26 by St. John. Meyer collected \$3,750 as a runner-up and Bill Johnson of Kansas City got \$2,000 for his third place finish.

In the women's division, the defending champion and three-time winner of the event, Mrs. Marion Ladewig of Grand Rapids, Mich., donned her fourth crown by beating lefty Joanne Chapman of Blencoe, Iowa, in the final round.

St. John, a former Navy career man, averaged 233 for the 64 games in the finals of the 10-day tournament.

CARTER OFF PACE Don Carter, 37, of St. Louis, who had won five of the six previous tournaments, was far off his usual pace and finished his long grind on the new lanes at McCormick Place in 15th place and a prize of \$915.

Carter, in the previous six tournaments, held the record for winning the most money, \$35,331.

Mrs. Ladewig, 49-year-old grandmother, obviously tired at the 48-game grind in four days. But she still had enough left to shoot 246 in her first game and kill whatever chance Mrs. Chapman might have had of taking the title, and the first prize of \$4,000.

In certifying her claim as the woman bowler of the year and making another drive toward The Associated Press title of Woman Athlete of the year, Mrs. Ladewig averaged 199 plus for 48 games in the women's field.

Mrs. Ladewig finished with a total of 223.16 Petersen points to 221.39 for Mrs. Chapman and 217.18 for Helen Duval of Berkeley, Calif., who finished third.

TO RECEIVE MEDAL PHILADELPHIA (AP) — Leonard H. Goldenson, a native of Scottsdale, Pa., and president of the American Broadcasting-Paramount Theaters Inc., will receive the Poor Richard Club's 1964 gold medal of achievement Jan. 17, it was announced Sunday.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were

so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in suppository or ointment form under the name Preparation H®. At all drug counters.

EXPECT PENNA. REDISTRICTING GOING TO COURT

HARRISBURG (AP) — Most knowledgeable observers believe that Pennsylvania's reapportionment problem will be around for a while—regardless of what action the General Assembly takes in the current special session.

The majority Republicans are finding legislative redistricting a formidable chore in view of intra-party opposition to the proposed bills as they now stand, especially in the Senate.

To compound the problem, there is a general agreement within the Scranton administration and its GOP leadership that any reapportionment legislation passed now almost certainly will be challenged in the courts.

SUIT ALREADY FILED
Even now, there is a suit in U.S. District Court in Philadelphia challenging the bills in their present form as being unfair and inequitable.

Three federal judges in Philadelphia are scheduled to hold a hearing Wednesday on a motion to prevent further action on the measures.

Meanwhile, the Senate reconvenes in solo session today to resume its discussion on reapportionment. The House will return Wednesday, giving its members an opportunity to hunt on the opening day of deer season today.

PUSHING FOR DECISION
The administration and the GOP leadership are pressing to have the General Assembly conclude its deliberations quickly, hopefully by the end of this week.

House Republicans apparently have closed ranks in numbers strong enough to pass the majority party's proposal.

But there is no sign in the Senate that Republican dissidents have been won over. In fact, Majority Leader James S. Berger said this past weekend of his three holdouts:

"If they don't come around soon, all we can do is put the bill back in committee for revisions."

THREE OPPONENTS
Opposing the bill are Republican Sens. Thomas A. Ehrgood, Lebanon; Richard G. Frame, Venango, and Harold E. Flack, Luzerne.

Ehrgood is opposed to having his Lebanon County district united with Schuylkill County, preferring, rather, to see it joined with either Dauphin or Lancaster Counties.

Frame is unhappy about losing Warren County from his district and Flack is protesting the elimination of one of Luzerne's two senators.

NEED 26 VETOS
The Republicans have 27 senators, but can not get the 26 votes necessary for passage unless two of the protestants drop their opposition.

Democrats are not going to offer any support. Minority Leader Charles R. Weiner urged postponement this past weekend of reapportionment action until the federal courts lay some ground rules.

ADVERTISE IN THE TIMES

A Lovelier You

By MARY SUE MILLER
YOUR HEALTH IN YOUR HANDS. The triumphs of science over infectious diseases may be fleeting unless the rest of us enlist in the struggle. Our part is

scrupulous cleanliness. In uncleanly surroundings, germs multiply, grow stronger and resist control.

Contamination is communicated through the air, by infested clothing, food and eating utensils and by physical contact. The unwashed hand, however, takes the lead when it comes to transporting germs from person to person.

Health authorities state that the hands cannot be washed too often or too thoroughly. A surgeon's scrub-up is indicated before handling a baby, before preparing or eating food and after contact with ailing persons.

To that we say "amen." Scrub-ups help to prevent the transmission of germs to others and to yourself. The cold or the skin infection you save may be your own.

The only possible drawback to keeping the hands in a hygienic state just might be a sensitive hand complexion. And even that problem can be overcome by the use of a creamy, non-alkaline cleanser. Formulated with lanolin, hexachlorophene and a low pH, the action is both nondrying and antibacterial. Soothing to the hands and skin to germs.

LOVELIER HANDS

Do you have a hand problem? Send today for LOVELIER HANDS, a booklet that covers every step in a quest for hand beauty. It tells how to keep the skin and nails groomed; how to overcome weak nails, polish chips, discolored knuckles, prominent veins, wrinkles; how to use the hands with poised grace. To obtain your copy, write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a large, self-addressed, stamped envelope and 20 cents in coin.

High Pa. Court To Reduce Load

PHILADELPHIA (AP) — The Pennsylvania Supreme Court's annual case load is expected to be cut by 15 to 20 per cent under a new procedure.

Effective immediately, the court no longer will hear cases of little significance. The action is aimed primarily at appeals on rulings by zoning boards governing establishments such as neighborhood beauty shops.

Under the new procedure, when such an appeal is received, the court will be permitted to dismiss it without comment—such as the U.S. Supreme Court does in certain cases.

In announcing the move over the weekend, Chief Justice John C. Bell commented: "From now on this court shall exercise its discretion as to what cases it shall hear."

PA. DEMOCRATS TO BACK LBJ

PHILADELPHIA (AP) — Top Pennsylvania Democrats have pledged cooperation and support to President Johnson.

Sen. Joseph S. Clark, D-Pa., disclosed over the weekend that he sent the new President a telegram promising cooperation and support.

And Otis B. Morse, Pennsylvania Democratic chairman, said he felt "the party would unite behind Johnson" if he seeks election to a full term next year.

Pennsylvania Democrats are scheduled to meet Tuesday night in Washington for exploratory discussions on candidates for the U.S. Senate, state offices and delegates to the party's convention.

Clark, who often had been at odds with Johnson when Johnson was Senate majority leader, said he thinks the new President will be more aggressive in dealing with Congress than was the late President John F. Kennedy.
